

Ladies Ringing Afternoon

The next ladies ringing afternoon in October will be at:

All Saints Coddington

6 Bell Tower

Tuesday, 15th October at 2:00

Ringers should be able to handle bells well. Anyone wanting to practice different methods is welcome to come along. Plain Bob Doubles and Minor, Grandsire and other methods are practiced. We will need advanced ringers to guide learners, and call methods.

All districts are welcome, and we look forward to seeing you.
